casts galore

March 27, 2013 2:09 PM

---

Hello Jim,

Our screencasts are getting numerous, and Lil and I hope you and others in Hawaii are availing yourselves of them. We hope to top 100 by the end of the year! Once in a while I hear from a student who finds how to reach me, to tell me of their helpfulness. That keeps this old duffer going!

Hello to our mutual friends in your neighborhood.

Good Energy,

Paul
