For all in the AAPT community...
Particle Physics and Space Travel Workshop
May 5, 2018
8:00 am - 2:30 pm
UH Watanabe Hall Rm 415
Registration deadline - April 16
Includes parking pass and lunch..

Learn about Solar Energetic Particles using actual data from the AMS-02 located on the ISS.
(AMS-02 is mass spectrometer)
Bring a few of your students so they can implement this activity in your classroom!

Join UH physics professor Veronica Bindi's research and teacher cadre to bring particle physics into your courses by participating in this workshop. Follow up in the fall semester will support you on this venture!!
