Subject: National Chemistry Week 2018 - Oahu - October 20
Date: September 8, 2018 at 4:16 PM
To: James L. Redmond jredmond@hawaii.edu

Dear James L. Redmond,

Aloha,

Please join us for a day of interactive chemistry activities on Saturday October 20th from 10:00 AM – 2:00 PM at Kahala Mall! The American Chemical Society Hawaii Local Section, together with the Hawaii Science Teachers Association, are sponsoring this event to bring awareness of chemistry to our local communities. The theme this year is “Chemistry Is Out Of This World!” (Outerspace). Please find details of the event in the attached flyer and feel free to pass this on to anyone who may be interested in attending.

Also note: We are still looking for 5-6 exhibitors for this event. If you or someone you know is interested in being an exhibitor, please contact me ASAP for more details.

Very best,

Kate

National Chemistry Week Coordinator

Hawaii Local Section, American Chemical Society

Katelynn Perrault, PhD

Assistant Professor of Forensic Sciences and Chemistry

Forensic Sciences Unit, Henry Hall 2

Chaminade University of Honolulu

3140 Waiialae Avenue, Honolulu, Hawaii 96816
