new officers for Hawaii AAPT & next meeting on 27 April

The Hawaii AAPT section has a tradition of alternating between college and high school faculty for President and VP. Starting at the next meeting on 27 April, Liz King from Mid-Pacific Inst. will move from VP to President so we need someone from the college faculty to become VP and then move to President in 2020. The VP's traditional duties are to provide refreshments for the AAPT meetings. The President sets the meeting agenda. A major event in 2020 may be the APS FWS Annual Meeting; this could involve AAPT if we want to have sessions focusing on high schools. Please let me know and come to the 27 April meeting if you are interested -- and willing -- to be an officer. Most of the people who regularly attend AAPT meetings have been President (some more than once) in the past and it would be good to get new people involved. The next meeting will be in room V-202 at Waipahu High School on 27 April. A detailed agenda and map will be sent next month.

Mike
