MJ

I also heard that Aiea High School is looking for a Physics teacher. I don't know any details. Contact Tyson if you're interested in the Mililani position.

Subject: High School Physics Teacher Search - Any interest?

Hi Mike,
I was wondering if you could pass along a quick message to the local physics teaching community:

Mililani High School is looking to see if there is anyone wanting to teach AP and General/College Prep Physics for next school year (and beyond). Willingness to assist with supervision of after school activities (FIRST Robotics) would be a big plus as well. If anyone has some interest in the position, please have them contact me ASAP at tyson.kikugawa@mililanihs.k12.hi.us

Thanks!

Mr. Tyson Kikugawa
AP Teacher
Science Learning Center Co-coordinator
Mililani High School
Ph: (808) 307-4287
